

AMERICANA MUSIC ACADEMY WEDNESDAY JAM AT SIGNS OF LIFE

This is an open community jam ... you never know who will come along & join in. All are welcome. Come to play an acoustic instrument, sing, or just listen in. Styles of music range from instrumental bluegrass, old timey, to pop standards... you decide!

Here is what we do:

The leader directs jammers to take turns choosing a song or tune that others can join in singing or playing.

The chooser sets the style; picks the key, gives the page number if in one of our books, or names the chords if it is not in the books.

Some songs may be in a style or at a level of difficulty you aren't comfortable with. If this is the case, you can just listen and choose something you like when your turn comes.

After 9:15 or so the jam usually closes in and becomes more spontaneous.
